Hospice Care

Our values - Inclusiveness, Integrity & Innovation

Do you know what these words mean?

What we do here at Garden House

- We provide specialist palliative care for patients, their families and carers facing life-limiting illnesses, enabling them to have the best possible quality of life by providing care and support in the setting of their choice
- We support thousands of people living in North Hertfordshire, Stevenage and surrounding towns and villages in Central Bedfordshire and Cambridgeshire every year
- At the Hospice we have an Inpatient Unit, Emotional & Psychological Support Service, Rehab & Wellbeing team, Community team, Enhanced Nursing in Care Home team and an In Reach team.

What your support can help us with

- **£16** could maintain our garden for a day
- **£34** could cover an overnight stay in our Valerian Room for the family of a patient
- **£57** could fund a session with our Rehab & Wellbeing team, such as a physiotherapy appointment or a Wellbeing Through Nature group activity
- **£101** could pay for a visit to a patient's home by our Community team
- **£408** could cover the weekly cost of buying, repairing and replacing our equipment, including hoists, medical equipment and plumbing systems.

Harry the Bear

This is Harry, our Garden House Hospice Care mascot!

Harry wants to tell you a little more about himself:

- His favorite sandwiches are strawberry jam
- He loves to play goalkeeper in football
- His favorite film is Brother Bear.

Do you have anything in common with Harry?

Fundraising ideas
